

New: Deleted an email accidentally? Lost an address? We can restore your **mailbox to a point in time** you can specify (up to 21 days back).

Example: You deleted an important email and know that it was still there on August, 30th, 5PM. Just [contact us here](#) and we can reset your mailbox including all data stored in it to that date and time.

That is unparalleled!

Pricing upon request, please ask.
